PTA to Install New Officers on May 20

By MARY and JACK WEBB
FRonter 5-3051

The last Riviera PTA meeting of the current school year is scheduled for May 20 at 8 p.m. at the Riviera school, Publicity Chairman Mrs. William King reported this week. Members are asked to take special note of the 8 p.m. time as the originally announced schedule called for a 2 p.m. session.

On the agenda for this meeting is the installation of new officers for the 1953-54 year. Mrs. C. H. Turner, past state PTA president, will conduct the installation ceremonies.

Mrs. Ross Dorsett, 151 Via Los Altos, president-elect of the Riviera body, is scheduled to give a short report of the happenings at the recently held State convention.

Entertainment will be provided by the mixed school choir. Mrs. King continued. Under the direction of teacher Kathryn Loftus, the choir will give several renditions. A string quartet of student musicians, directed by Lloyd Reist, will also provide music for the program.

This note is for the many Rivierans who have wanted to give "so that more may walk." Specifically it has to do with Sister Kenny Foundation contributions. No resident collections are planned for this year's drive; you who wish to give to the Foundation may do so by giving your subscription to the volunteer workers from Riviera who will man their stations at the Jim Dandy Market in Redondo Saturday, May 16. If you cannot make it to the market Saturday you may call either Mrs. Lura Watson, FR. 5-1750 or Mrs. William King, FR. 5-2478. The former resides at 424 Calle Mayor, the latter at 116 Via Sego. Either one will arrange to have your contribution picked up. The Riviera committee points out that your contribution to this cause is not charity but rather insurance that the Kenny treatment will be available in time of need. The Sister Kenny Polio Hospital is the only one in Southern California that gives the complete Kenny treatment.

Again we say, "Give that More May Walk."

Local Rivieran students will be represented in the first Mid-May festival to be held at Marymount School this coming Saturday and Sunday. The school this week-end starts an annual May festival tradition with the theme being Ballet of the Seasons. Bonnie Baldwin, daughter of Mr. and Mrs. Howard A. Baldwin, 139 Paseo de Granada, will be featured in the February ballet titled "February Memories," where she will take part in the minut which climaxes this ballet. Her dress is fashioned after Colonial party dresses and will be highlighted by sequins around the large collar. Jack and Jill Webb, son and daughter of yours truly, will take part in the Winter number titled "December Frosties," the former being a snowball therein while the latter simulates a snowflake. "December Frosties" will be produced entirely by the first grade students at the school. All 115 Marymount students will take one part or another in the Festival, there being four sections of three ballets each in the entire show.

After the great success of their latest production, "Papa Is All," the Hampton Players last Monday held their regular monthly meeting to attend to all the cleanup work necessary after staging such a presentation. At the meeting, members turned in all bills, cash receipts and unsold tickets.

MAYFLOWER

A MAYFLOWER WAREHOUSE

We might say at this point that seldom have we seen an audience enjoy themselves more than at "Papa Is All." The show centered around a family dominated by a tyrannical father, and seemed to lift the audience to the height of enjoyment through its realistic portrayals. Anyone interested in joining the players' group can get the fullest of information by calling FR. 2-2371. It was reported that plans call for production of "The Two Mrs. Carrolls" some time this summer. After the final performance of the late "Papa Is All" on May 2, the players and their guests enjoyed a midnight supper at one of the local restaurants, followed by dancing and singing. Grace Tiltonson and Sally McMullin were hostesses at the after-show affair.
